

Fee Increase

Washington voters approved an increase to the state's minimum wage for 2017. This will result in a pay increase for many of our outstanding staff. To address increased costs, we have raised fees by approx. 5% for most programs starting May 1. We will continue to work hard to minimize costs to keep our programs affordable. For more information visit: cityofvancouver.us/feeupdates

National Get Outdoors Day

FREE Family Event

Saturday, June 10

10am to 3pm

Featuring
