

VOLUNTEER GROVE NOMINATION FORM

The Volunteer Grove recognizes civically minded community members or groups who donate their time to the City of Vancouver by dedicating and planting a tree in their honor. Nominations are accepted year-round and submitted on behalf of individuals, organizations, and/or businesses that have made a significant and positive impact in our community. Once a year recipients will be awarded a Volunteer Grove Certificate with the location of their tree. You can nominate a volunteer or group based on the number of hours served in a year, the years of service, the variety of programs they support, their outstanding dedication to the community, or a combination of these criteria. The City's Volunteer Liaison Committee will review all nominations and make selections. Up to eight volunteers will be recognized each year. Nominees and nominators will be notified and invited to the annual Volunteer Grove planting event.
