WHAT'S GOING ON IN THE HEIGHTS PROJECT?

There will be a city council workshop on August 19 at 4pm where the HCIC will present the selected developers and summaries of their proposals to council. The workshop is open to the public and recorded so this will be an opportunity to learn more about the developments. The city will also issue a newsletter to the community with an update following developer selection.

The Federal Government has awarded the City of Vancouver \$17.5 million, which will help fund the city's Heights District Project — a \$30 million plan to replace the 63-acre Tower Mall property with 1,300 affordable and market-rate housing units, retail space, and new infrastructure that includes streets, bike paths, sidewalks and a park. The city announced that the funding will go toward building two segments of the project's "Grand Loop." The loop will extend Blandford Drive past MacArthur Boulevard, into the Vanco Golf Range and back around to Devine Road. The two-way street will include a linear park along one side of the roadway.

MISSING IN ACTION

One of our signs (sandwich board) placed for the Neighborhood Garage Sale has disappeared. It was last seen on Mill Plain. If you run across it, please email us, and we'll happily pick it up.

DANGER! FIRES ALONG BURNT BRIDGE BELOW NORTHCREST

We know, we know – this is a very tedious reminder, but IMPORTANT!

As many times as we have complained about the illegal campers along Burnt Bridge – they are still there and Northcrest is vulnerable to an uncontrolled fire, especially homes along the ridge. We have had conversations and met with representatives from BPA (Bonneville Power Association) recently when many of our neighbors reported trees being cut down and used for firewood. We toured the area with the folks at BPA and they too have concerns about the dangers of an out-of-control fire would present.

To report a fire along Burnt Bridge, Call 9-1-1 and specify to the operator whether the access is from

Andresen or Devine.

This will enable Fire Fighters to get to the scene quicker.

If you have not VOLUNTEERED before or even if you have – do it now!

We are always looking for volunteers –

- Annual Picnic - sell Raffle Tickets, help with set-up and clean up
- Christmas Get-Together
- Serve as a Board Member
- Pick up signs for Meetings
- Neighborhood Clean-up

Let us know if you are interested in helping out in any capacity.
Many do – and it's greatly appreciated!
