

Build Community

Take Action

Make Change

Join the Youth Climate Leadership Program

Join a group of 12 high school students for 10 weeks of in-person gatherings to build your climate resume:

- Work together to create a local climate project
- Explore topics of climate justice and climate resilience
- Build skills and community to act on climate solutions
- Discover diverse roles and careers in the climate movement
- Connect with City leaders
- After-school workshops and weekend field trips
- Stipends and transportation support
