GANG GRAFFITI IS THREATENING ALL GRAFFITI IS VANDALISM

If left alone, graffiti will attract more of the same.

It creates a perception that the area is unsafe.

To curb the spread of graffiti it is important for all of us to address it as soon as it is observed.

How can you help?

1. Record —Take a picture, document the date, time, location and color of the graffiti
2. Report—Provide details to the appropriate agency
3. Remove from your property — once notified, wash or paint away quickly & thoroughly
