Parking Discussion Shifted

Due to an unexpected emergency, the parking plan presentation schedule for the Oct. 21 ESNA meeting did not occur. It will be rescheduled over the next few months. Instead, the ESNA meeting engaged in a listening round-table style discussion to gather comments, concerns, and ideas on the current and future parking in the neighborhood.

Update from the Board

The Board is focusing on getting all paperwork, documents and processes dialed in to close out this year. In addition, options are being explored for lighting improvements downtown, neighborhood traffic calming, and volunteer opportunities to help keep the neighborhood amazing. It's looking like the full membership meeting will be held in early December to avoid conflict with the holidays.
