**** In case you missed it! ****

Marrion Neighborhood Association Hosted our 1st Summer Social on Saturday July 27th, 2024

The MNA provided hamburgers, hot dogs, water, lemonade, apple juice,
plates, napkins and cups.

Many neighbors brought side dishes as well.

**It was a great opportunity to visit with neighbors you know and
meet new neighbors!**

Based on the number of burgers and hotdogs served, we estimate close to
200 neighbors attended!

Besides the school playground for entertainment, we provided a bounce house,
sidewalk chalk, games (corn hole, croquet, table ping pong, lawn darts and more!)

And Raffle prizes to raise funds for the MNA.

These Wonderful businesses, located in the Marrion Neighborhood,
made donations to our Summer Social:

Studio X Tattoo, Richey's Point S Tires & Auto, Auto Zone, I Heart Gyro

And we also wish to thank Diana for hosting a table for the **Heights Yoga** and
handing out **free yoga coupons**, Candice from **All in the Details Handyman Service**
for providing **Free reusable water bottles and bags.**

And Danielle Jensen for making cotton candy!

**Everyone seemed to enjoy the day and we hope to be able to host
another get together next summer!**

*****Please consider making a donation to help fund next year!***

It has come to the attention of the Marrion Neighborhood Association Board that a home has recently been converted into housing for Sex Offenders. While this certainly feels unsettling and concerning, we must keep in mind that these offenders are REGISTERED and being monitored by the Sheriff's Office.

We must also keep in mind that, these individuals have served their time, and **it is illegal to seek them out for purposes of harassment.**

It is important to be vigilant, but no more so than you should be in any other circumstances. Remember, there are many sexual and other types of predators out there that you don't know about.

It is important to be informed, cautious, and educate yourself and your children on what predatory behavior looks like. If you need guidance on that, speak to your child's school counselor, or seek assistance from a licensed Social Worker or Family Therapist.

Information regarding Sex Offenders is PUBLIC RECORD and available to anyone who wishes to investigate further.

From the search that was conducted, we do have a list of names you can put into the data bases provided and any others you might discover that are helpful.
