A Message from Trish:

Why a Reboot? Merriam Webster's definition, "to start (something) anew: to refresh (something) by making a new start or creating a new version" sounds about right.

The EMPNA has been mostly dormant since 2021 and much has changed since then. We now have the opportunity to create an association that reflects the desires and values of the members of this very diverse neighborhood. What does that look like, exactly?

Your opinion matters!

We have a new email address and Facebook Group. Revised bylaws will be available shortly, at your request, for your input. If you'd like to get updates without Facebook, please email empneighborhood@gmail.com to get on the distribution list.

Come and help rebuild our association from scratch! I hope to meet many of you in person or on Zoom at the meeting on March 8.

Best wishes,
Trish

Considering an open position?
Please contact me! I guarantee the commitment will be pretty minimal this year. One neighbor has been nominated for the spot of Secretary/Treasurer, but it's not "official" until we vote.
