## Neighborhood Cleanup Event Guidelines

Cleanup events are intended for bulky items that are too large for a cart. Large loads of home garbage or home project/remodel debris are not accepted.

### What's Accepted?

- Bulky items: Broken or worn out items that are too large to fit in your garbage cart at home, such as a rug, kiddie pool, small appliances, furniture, broom, etc.
- Scrap Metal: Metal BBQs, bicycles, lawn furniture, mowers, car parts or small engines (drained of fluids), metal appliances (no Freon containing items-no fridge or freezers, AC units)
- Yard Debris: Branches, grass, leaves, vines, bramble, arborvitae, juniper, bamboo, yard and garden trimmings

### What's NOT Accepted?

- **NO** Household trash or contractor waste
- **NO** Large or heavy quantities of concrete, cement, rocks, sod or dirt
- **NO** Home project/remodel debris (i.e. flooring tiles, drywall, large amounts of fencing, etc.)
- **NO** Roofing shingles or roofing materials
- **NO** Hazardous chemicals, cleaners, paints or stains, fluids like gasoline or oil
- **NO** TVs, computers or electronics (recycle for free, visit [www.EcycleWashington.org](http://www.EcycleWashington.org) for locations)
- **NO** CFL or fluorescent tube lights (recycle for free, visit [www.LightRecycle.org](http://www.LightRecycle.org) for locations)
- **REALLY LARGE** items like boats and hot tubs should be hauled directly to the transfer station at the owner's expense.

### Day of Event

- Categorize your load - separate material for easy unloading into the bulky item truck, yard debris box or truck, or metals box.
- Use a tarp liner under the yard debris for faster and cleaner unloading.
- Put the yard debris on the bottom, then the big stuff (furniture), then the other stuff tucked in around the big stuff.
- Remember to cover your load to prevent littering if you bring a truck or trailer.
- Come prepared to unload what you bring to the cleanup (i.e. leather gloves & tools to unload).
- To prevent injuries, please bring heavy materials, such as yard debris, in smaller containers or wheelbarrows. Do not bring your curbside carts to the cleanup, as they are too heavy to dump.
- Follow the lead of the drivers and stay away from the "hot zone": the compactor, back of trucks, and the scrap metal box.
